The Essentials of Sustainable Living in Canada Today

Earth Day Event Program Details

Date: Wednesday April 22nd, 2009 - Time: 6 PM to 9 PM - Location: Shorelands Sales Office

6 PM Cocktails and Hors D'oeuvres will be served

6:30 PM – Seminar Begins

Speakers:

Maryam Mansouri, VP of Liza Communities will speak about the sustainable features of Shorelands and the components that create Canada's First LEED™ Townhome Community

Bessie Karalis, Royal Bank of Canada Mortgage Specialist will talk about how to qualify for Canada's new low mortgage rates

Pat Johnston, representing **CMHC** will describe mortgage rebates for a LEED™ Community and what the benefits are to new home owners

Dan Gregoroff & Scott Robbins from **KML**, will discuss the structural quality and energy efficiency benefits of steel framing, one of the key highlights of innovative and sustainable construction techniques in Shorelands.

Jeff Clare from **Rinnai** will share the features and benefits of a tankless hot water system, a standard offering in Shorelands where there are tremendous advantages like added comfort, convenience and cost savings.

Mark Cohen, **founding partner at The Condo Store Marketing Systems** will tell the audience about what is going on in the industry and when is the best time to buy
